(a) To confirm your place on the event you must pay Action Challenge a **non-refundable registration fee of £299 (unless the challenge is cancelled by us)**.

(d) We have set out all those items included in your challenge cost and will guarantee the cost of all our suppliers in respect of your challenge once the final balance has been paid. If due to governmental action, fluctuations in foreign currency rates, fuel or transportation costs or for reasons beyond our reasonable control the cost of your challenge rises over 2%, then we reserve the right to increase the cost of your challenge. If there is an increase in the cost of your challenge of more than 9% you have the right to cancel your booking and receive a full refund. We will inform you of any surcharge in writing and if you wish to cancel your booking then you must do so within two (2) weeks of receiving our letter or we shall assume you have elected to accept any surcharge.

4. Minimum sponsorship option for a charity partner of your choice

(a) To confirm your place on the event you must pay Action Challenge a **non-refundable registration fee of £299 (unless the challenge is cancelled by us)**. You will nominate your chosen charity on the event booking form and we will communicate with that charity to seek their formal authorisation for you to raise sponsorship monies for the challenge.

(b) If you have committed to a minimum sponsorship option for a charity that you have chosen you are classed as a professional fundraiser and will be asked to sign an appropriate agreement with the charity that you are fundraising for; this agreement will be sent to you by the charity. In addition to your £299 registration fee you are required to raise at least a further £3400 in sponsorship which is payable in two instalments.

(c) The first fundraising instalment equating to at least 80% of the minimum sponsorship is due ten (10) weeks prior to departure. The second fundraising instalment which equates to the balance of the minimum sponsorship and any sums raised above the minimum sponsorship is due within four (4) weeks of completing the challenge. **Both fundraising instalments will be payable to the charity**. Any additional fundraising completed beyond the due date of the second instalment, should be passed to the charity as soon as is practicable.

(d) If you are unable to reach the minimum sponsorship target or the instalment due dates, you are liable to forfeit your place on the challenge, unless the charity that you are fundraising for agrees otherwise with you and us.

(e) You must make it clear to all your prospective sponsors that a part of your sponsorship money goes towards payment for you to take part in the event.

(f) All sponsorship monies should be paid as specified by the charity that you have chosen.

(g) Should you not be able to take up your place on the challenge for whatever reason, or chose not to for whatever reason, sponsorship donations made to the charity will not be refundable to you directly. Money will only be refunded by the charity directly to individual donors upon written request to the charity, unless agreed otherwise with the charity by you.

5. Itinerary changes

All our challenges are complicated and may be subject to change. Our challenges are planned many months in advance and sometimes there may be minor changes to your itinerary. Should there be a material change prior to departure which is not a result of force majeure (a departure timing change of more than 48 hours for example) then we will inform you as soon as is practicable and in this case you may either agree to proceed with the new itinerary or cancel your participation in the challenge, in which case you will receive a full refund.

6. Changes made by you

Each change must be made in writing by post or email and is always subject to availability. All changes must be made by the person whose signature appears on the registration form. We will always try and accommodate any changes requested; however, changes that you request will incur an administration fee per person/change. If you wish to change the name of the participant then you may be liable to a further surcharge at the discretion of any supplier or airline. You should note that some suppliers may charge a 100% cancellation fee for a name change and the cost of a replacement ticket.

7. Cancellation by us

In the event we have to cancel the challenge whether as a result of force majeure or another reason that makes it impractical to proceed with the challenge, we will provide you with a prompt and full refund of all monies that have been paid by you to us. Unfortunately we do not make any payments compensating for losses or costs you incur in the case of a cancellation and we exclude and limit all such liability to the full extent permitted under law.

9. Delays and force majeure

We do not accept liability for any delays in your travel arrangements, or reasonable changes to your itinerary in the event of Force Majeure. Force Majeure means any unusual or unforeseen circumstances beyond our reasonable control including but not limited to an act of God, war, accident, failure of power supply, abnormal weather, fire, explosion, labour disturbance, flight delays, bad weather, or the issue of any travel advice by the Foreign and Commonwealth Office advising against travel to any destination included within your challenge.

10. Flights, Airlines & Suppliers

(a) You must check all information sent to you by us and make sure that you arrive at the airport in sufficient time. Airlines sometimes change aircraft and flight times without advance warning so you are asked to check carefully your departure and check in times on your documentation.

(b) All our flights are arranged through scheduled airlines and we are bound by their terms and conditions and regulations and we cannot be held responsible for any delays, cancellations or over bookings.

(c) Changes made by airlines and/or airport destinations will not constitute a material change to your challenge entitling you to cancel, subject to clause 5.

(d) Inappropriate behaviour, including but not limited to, drunkenness or rowdiness may lead to the transport carrier refusing carriage and alternative transportation may have to be arranged at your own cost.

(e) Liability in respect of all carriage by air, sea, rail and/or road is strictly limited to that under any relevant international convention or set of rules governing such carriage and where applicable subject to clause 11 below.

11. Other obligations to you

(a) We accept liability for negligent acts and/or omissions by us, our employees, agents, suppliers or sub contractors whilst acting within the scope of, or in the course of their employment in the provision of any part of your challenge arrangements as set out in the Information Pack and event brochure, that we are contractually obliged to provide. We will therefore pay such damages as may be awarded under English law.

(b) We exclude and limit all other liability to the extent permitted under law and damages are not payable where any failure to perform the contract is due neither to any fault on our part or a supplier of any part of your travel arrangements or is attributable to you or unforeseen or unavoidable actions of a third party unconnected with the provision of your travel arrangements or a force majeure event or other unusual and unforeseeable circumstances beyond our control or an event which could not have been foreseen even if all due care had been exercised.

13. Travel insurance

You must have adequate and appropriate travel insurance for this challenge, as detailed within the information pack, and it is your responsibility to ensure that details of this insurance are forwarded to us at least ten (10) weeks prior to departure. If we do not receive a copy of your policy we reserve the right to include you in a group policy and charge you a supplement.

14. Visas and Other Requirements

We will send you details of visa requirements along with advice for all compulsory inoculations which are known about at that time. It is your responsibility to ensure these requirements are in place prior to departure.

15. Law and jurisdiction

These terms and conditions shall be governed by and construed in all respects in accordance with the laws of England and Wales. Any dispute which may arise between the parties concerning these terms and conditions shall be exclusively determined by the English Courts.
