Plan, Facilitate and Report on Regional Workshop to support Arms Trade Treaty Compliance in Belize

MAG's Vision is a safe future for women, men and children affected by violence, conflict and insecurity. People will live in communities where their rights are upheld, with dignity and choice and free from fear from mines, explosive remnants of war (ERW) and any negative impacts of small arms and light weapons and ammunition.

MAG's Mission is to save lives and build safer futures. We will use our core skills and distinctive competence to save lives through the removal and destruction of surplus and unserviceable ammunition and explosives, and reduce any negative impacts and threats of small arms, light weapons and ammunition on people and communities. How we do this is as important as what we do – we work primarily with and for communities, for us 'it's all about people'.

MAG's Values. Our values come to life through our actions, every day. How we act has an impact on others. As someone who works at MAG, you can help to create a positive culture by demonstrating our values through your own behaviour and actions. Everyone has a role to play in shaping our culture. Everyone should understand our values and is encouraged to think how they are relevant to their individual role.

DETERMINED - we work with purpose
